

## **Cargo is what we do best**

Paris-Vatry Airport at your service:

**Sit back, relax...  
and let Paris-Vatry  
take care of business!**

In Europe and across the world, cargo handling varies from one airport to the next. Paris-Vatry Airport is one of a small, select group of facilities which specializes in cargo... and it is what the airport does best.

### **1) Dedicated range of services**

Paris-Vatry's Business Unit, Cargo – a single-window service entity – provides comprehensive cargo assistance, document handling, palletizing and other activities generally associated with the carriage of goods.

#### **Services include:**

-  24-hour operating capability
-  Turnkey handling of goods
-  Bonded storage
-  Special handling of perishable goods, hazardous materials, as well as fragile and valuable cargo
-  Use of X-ray technology for optimal cargo security
-  24/7 customs, phytosanitary and veterinary controls

#### **In addition, Paris-Vatry is a certified:**

-  Border Inspection Post for Europe
-  EU Point of Entry, providing single-stop phytosanitary and veterinary inspections

▲ **Perishable goods centre**

Paris-Vatry Airport has developed enviable expertise in the handling of perishable goods. Each week, shipments of fish, fruit, vegetables and cut flowers transit through the airport's facilities en route to major centres across Europe.

- Total surface area: 2 500 m<sup>2</sup>
- 5 temperature-controlled cold rooms (0°C / +12°C)
- 1 freezer chamber (-20°C)
- Cooled loading platforms and palletizing/de-palletizing areas (+8°C / +12°C)
- 1 animal carcass handling system

▲ **Cargo terminal**

Over 10 000 m<sup>2</sup> of storage space featuring:

- Performance handling equipment
- Automated storage and retrieval system
- Fully computerized operating system
- Dedicated space for items requiring special handling

**2) Promising potential**

Paris-Vatry Airport proudly provides users with a full complement of quality, custom, priority services at rates lower than those charged by larger European counterparts.
